

Your Camporee DVD Order Update

We currently expect your Forever Faithful Camporee DVD to ship in the first half of November.

When you ordered your Camporee DVDs we hoped that discs would start shipping in late October. There were delays in editing, but now that it's finished the discs are off to be reproduced in large numbers. At this point we expect to start shipping by mid-November and maybe a few days before.

We had hoped to start shipping in late October, but at the last minute we received permission to include the Pathfinder Talent segment that took place as part of the evening meeting (not all the performances from the Talent Stage). You will be glad to know the editors left in the segment where Nebuchadnezzar had his hair come off. The Souvenir disc has many pictures from the Baptisms. We also have some highlights from the Drum and Drill tent. We don't know that everyone will be pictured, but look for the people from your club.

We know it's been a long wait, but we think you will enjoy the added content. Here is some payment and shipping information.

- If you paid cash or check at camporee, your order is ready to go as soon as we receive the finished product.
- If you paid by credit card from an international address or debit card, your card has been charged and your order is also ready to go.
- If you ordered on the www.camporeedvd.com website, your card was charged immediately and your order is also ready to go as soon as the product arrives.
- If you paid with credit card and ordered on paper at camporee or via phone, your card will be charged starting around October 20 so those orders also will be ready to go when shipping can start.
- Credit Card statements will show payment to CamporeeDVD.com. Please contact us first if you have any questions about the charge.

We know many of you placed your order back in August and things change. If your mailing address has changed, please contact us at camporeeDVD@callaim.org or call 877-721-3900.

You can place orders for more Camporee DVDs at the website or phone number above.

We do appreciate your business and we think you will be excited about the finished product. Be sure to share it with your friends. We will let you know when we start shipping.
